To Whom This May Concern,

My name is Robin Post, Computer Science Teacher, I had the pleasure of teaching Thomas McLaughlin during his time at Franklin Phonetic School. I am proud to write this letter of recommendation for Thomas.

During my time teaching Thomas, he was always polite and worked well with others. He did all his projects in a timely manner and always exceeded expectations. He is a very dedicated young man. He was able to keep his grades up and excel in his extracurricular activities. Thomas plays baseball and is very passionate about the sport. He sets goals and achieves them. I am more than confident that Thomas will be an excellent addition to your program.

If you have any questions or need more information, please feel free to contact me.
