To Whom It May Concern:

I had the pleasure of having Thomas McLaughlin in my Geometry class. Thomas is a quiet, respectful, and polite student. In a class that most struggle with comprehending, Thomas thrived. He is a hard-worker and will ask questions if he doesn't understand. This sets him apart from many of his peers. He was a pleasure to have in class.

If you have any further questions, please feel free to contact me at 759-4152.

Sincerely,
