To Whom It May Concern,

My name is Nicholas Swanson and I've been Gregory Mattison's head baseball coach since he was a freshman in high school. Gregory is a right-handed pitcher and outfielder for our Jaguars, a successful team ranked within the top 10 in Arizona. Gregory is currently uncommitted and eager to help a college baseball program at the next level on and off the field.

Gregory takes school seriously and he's a high achiever in the classroom. Gregory has a GPA above 4.0 and he's capable of academic and athletic success in college. Gregory is a grinder; a hard-working and highly respected member of our baseball team and school community.

As his coach, I strongly believe that Gregory's perseverance, intellectual ability, and enthusiasm for learning and working are qualities that should help him during athletics, in college, and with future jobs. He is undoubtedly the type of student that has the potential for great success beyond high school. His tireless efforts, combined with his work ethic and ability to self-improve, are recipes for success in the years to come. I wholeheartedly recommend him as a student-athlete with high moral character. I am available by phone or email to continue my unwavering support of Gregory Mattison.

Sincerely,

Nicholas Swanson

Head Baseball Coach, Teacher
