

Best Speed Baseball 6488 Florin Perkins Sacramento, CA 95828

It is my pleasure to have been asked to write a letter on behalf of Daniel Giberson. I am the Owner/Head baseball instructor of Best Speed Baseball a baseball academy located in South Sacramento; Ca.

Daniel Giberson has played in our program since he was 10 years old. (seven years now) He has always been an honest, dependable and trust- worthy player both on and off the field. His grades have always been amazing and leadership skills always on point. Daniel has participated fully in our training and always comes prepared for each practice, game and tournament.

We practice 3 C's in our organization: Confidence, Compete and Challenge. We also have a 4th C , which is Character. I believe that Daniel definitely represents this 4th C very well. He sets forth plans for success and implements his plans with extremely hard work and dedication.

Daniel has always been one of the main leaders and hardest workers while playing for my program.

Daniel has always been a positive role model and ready to help some of his current and younger teammates within my academy. Daniel is a team player, not looking to shine over his other teammates but wanting his team to be successful. Daniel is a well-rounded individual and I strongly encourage you to give him a chance with your program here soon.

Sincerely,

Alec V. Smith

Owner/Head Instructor
