

Daniel Giberson - Letter of Recommendation

My name is Ron Hall and I am Daniel's Varsity Baseball Coach at Rio Americano High School. When writing a recommendation for a student athlete like Daniel, it's easy. This young man is quiet and respectful and comes from an outstanding family. The academics side of Daniel is superb. He works tirelessly on his academics and his efforts in the classroom show on his transcripts. He's well respected on campus from his classmates, the faculty and staff. He is without a doubt one of the nicest and most respectful young men I have ever had the pleasure to coach at Rio Americano High School.

Daniel's off field conditioning efforts are second to none with in our program. He's works tiresely to get stronger and as athletic as possible so that he's giving his self the best opportunity to succeed.

On the field and during practice he's a highly focused team player that will do anything I ask for the success of his team. He's an extremely competitive player that loves to win.

You would be extremely lucky to have this young on your college or university campus representing your baseball program.
