

## Davis Grawey - Letter of Recommendation

My name is Ron Hall and I am the Varsity Baseball Coach at Rio Americano High School. I'm honored to have this opportunity to write a letter of recommendation for a student athlete like Davis. I have had the pleasure of knowing this young man for four years and have seen him grow into a mature and well-rounded person and player on and off the baseball field.

Davis is a respectful young man that comes from an outstanding and very supportive family. A coach's son that knows and understands the game and the work it takes on and off the field to succeed. He is without a doubt one of the nicest and most coachable young men I have ever had the pleasure to coach at Rio Americano High School.

He works tirelessly on his academics and his efforts in the classroom show on his transcripts. He's well respected on campus by his classmates, the faculty and staff.

Davis's off field conditioning efforts are outstanding. He works tirelessly to get stronger and as athletic as possible so that he's giving his self the best opportunity to succeed.

In games and during practice he's a highly focused team player that will do anything I ask for the success of his team. He's an **extremely competitive** player that loves to win. Davis is my coach on the field. He leads and is constantly working with and alongside his teammates for the success of this program.

If you're looking for a talented, highly motivated and intense competitor then Davis Grawey would be an outstanding addition to your program. You would be extremely lucky to have this young man on your college or university campus representing your baseball program.

If you have any further questions, please feel free to contact me.

Sincerely,

Ron Hall
