

Jeremy is the student-athlete coaches want to coach. He is a hard worker and has the work ethic needed to be successful. He is a student of the game and his drive and focus pay off on the field and in the classroom. He is a leader on and off the field. His teammates look up to him, he is a quiet leader who chooses to lead by example. I would be remiss if I didn't call attention to his academic prowess as well, Jeremy is a smart young man, and his athletic attributes transfer to the classroom. In summary, he is the student-athlete you want on your team.
