Letter of Recommendation
For Justin Payne

To Whom It May Concern:

It is my great pleasure to write this letter of recommendation for Justin Payne. I have known Justin for the past two years as both his English and History teacher. During that time, I've known Justin to be a responsible and dedicated hard worker. Justin always does his assignments to the best of his ability; he is always punctual and on time and most importantly of all he has a polite and respectful manner.

If you allow Justin to be a part of your organization, he will consistently please you with his performance both in the classroom and on the baseball field.

Please feel free to contact me if you have any questions comments or concerns.
