To Whom It May Concern:

I am writing a letter of recommendation on behalf of Justin Payne. I have had the pleasure and opportunity to coach Justin for the last 2 years on the baseball field at Sahuaro High School. Justin has proved himself time and time again to not only be a dedicated player and student, but an intuitive person. Every day he is full of enthusiasm and eagerness to work. Justin is a high character young man and is one of those student-athletes that making teaching/coaching a wonderful experience.

Justin is one of the hardest working young men I have had the pleasure of knowing. He is dedicated to his future, and I am positive that he will make the most of his time in college and/or his profession. He is guaranteed to go above and beyond in all his endeavors which is exactly the kind of person you want to surround yourself with.

Being a former student-athlete (University of Arizona Baseball), professional athlete (Montreal Expos Baseball Organization), and current educator/coach (Sahuaro high School), I have been around so many student-athletes. I can easily say that Justin is one of the finest young men that I have been around. I know that whichever path Justin takes he will find success and any organization that has him apart of it, will be much better for it.

Sincerely,

B. Echols
