

To Whom It May Concern;

I have known Ryan Rooney since he played on the Warriors fourteen and under travel team. He has always been a fierce competitor who has developed his physical and mental strength and honed his baseball skills through hard work on and off the field. He is a team player and leader on the Blue Ridge High School baseball team.

My evaluation of Ryan is based on 50 years as a High School, College and Professional Coach.

Sincerely,

Jim Merrick
