

To whom it may concern:

My name is Kevin Flint and I am the coach of a travel team for the Marucci Athletics. I have had the privilege of coaching Colton Planeta for three years. I have watched him grow as an athlete and as a young man. He displays leadership skills on and off the field. Colton works diligently at any task that he is asked to do. He is an asset to our team and his teammates.

Colton has a positive attitude, high sense of responsibility, and is willing to work hard to achieve success. He is always willing to lend a hand to the coaching staff and to his fellow players. His positive attitude is noticed each and every time we are on the field.

If you have any further questions regarding Colton please contact me at 602-361-2299.

Thank you,

Kevin Flint
