To Whom it May Concern:

I am writing this letter to provide a character reference for Colton Planeta. I have known Colton for 3-years and had the honor of serving as his baseball coach with an organization that only permits athletes with high integrity, humility, positive attitude, and a servant attribute to his community and team. With that, Colton exemplifies all these characteristics and has always demonstrated a great deal of respect towards others and has always been a leader on and off the field of play.

I would highly recommend Colton for a leadership role and to any organization looking for a positive team member to help lead others. I have a great deal of respect for Colton, and I am convinced that Colton will be successful at the goals he decides to pursue. It is likely that your experience with Colton will be just as positive as mine has been over the last 3-years.
