To Whom It May Concern, It is my pleasure to write this letter of reference for Gavin Williams. I have known Gavin for a year and a half, but have had him as a student for a semester. He is currently in my American Literature class, and I have had interactions with him outside of class

Gavin is a diligent and dedicated student who takes his education seriously. He is persistent and conscientious, working hard to master subject material and ensuring that he meets his academic deadlines. He is unafraid to put in the hard work necessary for success. He is always very responsible, kind, and a natural leader in the classroom.

He is a model student regarding his academics and his behavior. I am sure that he will be great in whatever he applies himself to. His desire to perform, maintain responsibility, and be respectful is always evident.

Sincerely,

Caleb Hall
