

To whom it may concern:

I am honored to write a letter of recommendation for Luke Richards. Luke exemplifies the qualities, skills, and intangibles not only on the field but off the field as well that I desire in a student athlete. Any future coach or employer that works with Luke will benefit from these qualities that separate him from other student athletes. Luke is held in the highest regard not only by his peers but by his teachers and administration on campus.

I have been coaching at North Pointe for the past 4 years and Luke rises to the top of the student athletes that I have coached. Luke displays all the characteristics of intangibles of individuals who want to be the best at what they do. I have asked Luke to be a leader on the team, play positions that he normally doesn't, mentor his younger teammates, and Luke has embraced this wholeheartedly. Once you meet Luke you will immediately understand why he would be a tremendous asset for any team.

Please feel free to contact me at anytime if I can answer questions regarding Luke Richards.

Sincerely

Rick Schumann
