To Whom It May Concern:

During the time Gavin Williams played for me at Woodcrest Christian High School, he portrayed commitment to his teammates and to his growth as a baseball player. He exhibited passion for the game and respect towards his authorities. I confidently recommend Gavin into the *College Baseball Advisors* program. He is an athletic, strong, and smart player with a high ceiling. If you have any further questions, please do not hesitate to email me.

Sincerely,

Mr. Dalton Thompson
