

REFERENCE LETTER

Date: 2-28-2023

To Whom It May Concern

I have witnessed tremendous growth in Anderson Cary over the course of the last few years as his travel team baseball coach, and am certain that the skills and abilities he has developed will allow him to excel in any career. Anderson's remarkable talents for leadership, work ethic, and character makes him uniquely qualified to serve as a player and student for any college he pursues I have managed Anderson in stressful and complicated situations requiring high levels of intelligence and understanding. He met every challenge and goal presented and succeeded with hard work and effort every time.

Anderson served not only as a useful individual asset to our team, but also as a cooperative and attentive team-player. His actions consistently inspired and motivated our other teammates. Never backed down and always answered the call. Very coachable.

In the years that I have known and worked with Anderson and his family, I have developed enduring respect for both his work ethic and his desire to reach the next level with full support from the Cary family. I can confidently say that Anderson would make a positive and beneficial addition to your team and he has my highest recommendation. If you have any further questions with regard to his background or qualifications, please do not hesitate to call me at the number listed below.]

Sincerely,

Scott Wilbanks
