

Austin Byler, Major League University, Mental Instructor:

I have had the pleasure of getting to know Keegan over the last 4 years now through coaching and baseball. Keegan exemplifies a championship work ethic as he is relentless in pursuit of his goals. He shows up every day with a positive attitude and a growth mindset, ready to learn, grow, and develop as a young man. I have witnessed first hand how Keegan handles any adversity that is thrown his way with a positive mindset and solution oriented approach. Keegan's character speaks for itself by the way he carries himself on and off the field. He is an incredible teammate, going above and beyond to support and encourage his teammates to be their very best. Keegan is one of the best kids I have ever had the pleasure of coaching, and is an immediate impact to any organization that he joins.
