

Donnie Lindgren, Moses Lake High School Head Baseball Coach

I am very happy to write this letter of testimony about Hayden Meek. I have known Hayden for 10 plus years and watched him grow into a fine young man. The last two years I have had the pleasure of coaching Hayden in both baseball and football. I have been an educator and coach at the HS and College level for the last 33 years. Hayden has shown me in the two years that I have been able to coach him his desire to play at the next level. Hayden has been a leader on my HS teams even as a Freshman. Hayden works hard on his craft both during practice and after. There really is not an offseason for Hayden. In the fall and winter after football season is over, Hayden has been diligent in working out 4-5 days a week with agility coaches, hitting and throwing coaches as well. He has become a solid baseball player that will help out our varsity program as a Sophomore and then I am counting on him as being a leader for the following two years before he moves on. As Hayden continues to grow and get in the weight room, I feel that with his dedication, leadership, baseball IQ and his baseball talent, Hayden will be an asset for any college program. As a left-handed hitter and thrower, Hayden has continued to work on his talent. He is now driving the baseball gap to gap and has shown increased velocity in his arm strength.
