“Pursuing Higher Standards”

January 24, 2023

To Whom It May Concern:

It is an honor to write a letter of recommendation on behalf of Travis Gates. From the first day Travis entered my classroom as a freshman at Prescott High School, I was impressed with his work ethic, level of respect, and eagerness to learn. Amazed by his maturity, I nominated him to serve on the PHS Principal Advisory Council, where his insight is valued.

While an active member of the PHS Freshman Football Team, Travis maintained an impressive 3.9 GPA taking academically rigorous courses like Honors English and German. Travis plans to travel the path of advanced placement and dual enrollment classes as he continues his education here at PHS.

It has been a pleasure to have Travis in Freshman Academy and Exploring Art. He is a young man who walks with integrity, leads by example, and strives for excellence in all that he does.
