

To Whom It May Concern:

It is my great pleasure to be typing this letter of recommendation for Cody Campbell. I was honored to coach him for his freshman year at Deer Valley High School, and he was a joy to teach and coach each day we had a practice or game. He was a phenomenal pitcher, dependable batter, and smart runner on the bases. He was really becoming a complete 5-tool player by the end of the season. He was a leader on the team and led more through actions and character than by his words. Even though he is a terrific baseball player and excellent scholar in the classroom, his best strength is his personality and character, and this is in large part to his great parents and family. I can tell his potential is limitless, as he was already playing for varsity his first year in high school. Please let me know if you have any questions regarding this gentleman.

Sincerely,

Bill Distler
