Dear Coach,

I am writing on the behalf of Clayton Londo. I would love to say Clayton is an outstanding young man with wonderful parents. I have had Clayton in my program for quite a few years now and can tell you he is a hard working, mature and skilled player. Clayton works hard and often at his game. He is a savvy player with an understanding of the nuances of the game. Clayton has a strong bat with the ability to play various positions on the field. He is an average runner who uses his smarts and ability to read the play to be a great baseball runner.

As a person I could only say positive things about Clayton. He is coachable, a great teammate and a exemplary student. Please feel free to reach out to me if you have any questions or would like more insight on Clayton.

Best,

Michael Viera
