

Clayton Londo  
Letter of Recommendation  
March 3, 2023

To whom it may concern,

It's my absolute pleasure to write a letter of recommendation for Clayton Londo. Clayton is one of the kindest and genuine students that I have ever had the pleasure of teaching. He works hard day in and day out, and he constantly gives it his all. He is a role model for his peers, and he makes everyone's life that he encounters better.

Clayton has excelled academically in my English class this year. After transferring to Bonita High School this year, he has demonstrated exemplary understanding of the Jane Schaffer writing method and our common core standards. He has not missed an assignment this year, and he puts thoughtfulness and effort into every single assignment.

Socially, Clayton is a role model to his peers. He helps students around him perform at a higher level. Also, after talking with multiple baseball coaches at Bonita, they go on and on and on about how they wish more kids were like Clayton. I agree with them, full heartedly.

If given the opportunity, I know that Clayton will not just shine on the field, but he will shine in every aspect. I am excited to see what Clayton's future has in store. He will excel in anything that he does.

Thank you for taking the time to read this letter. If you need any further clarification or feedback on Clayton, please do not hesitate to reach out to me.

Sincerely,
