RE: Roman Fina, Born 10/19/2006

To Whom it May Concern,

I'm writing to enthusiastically recommend Roman Fina as a student-athlete. Roman is an outstanding student in my AP World History course this year so I can attest that he is already thriving in college-level academics even though he is only a sophomore in high school. Roman is very independent and a leader in class. He's a popular classmate because he's talented and also easy-going and sociable. I'm confident he will be a terrific addition and a difference-maker for his team and a university community.

If there is any way I can help your evaluation further, do not hesitate to contact me. Thanks for your time and effort in advocating for our students!

Sincerely,
