To Whom It May Concern:

My name is Santiago Perez. I'm a former MLB player and a current Man of God, husband, father, business owner and club baseball manager.

I've had the pleasure of coaching Adam Solak on my club team in his youth. What I appreciate about Adam is he is a child of God, he is an athlete with a good work ethic, he puts team in front of personal success, he continues to improve on his baseball craft, he is a positive presence in the dugout, he is coachable and most importantly a good human. Adam is a dual sport athlete and when given the opportunity to focus on just baseball I believe he will continue to be an asset to any baseball organization at each level of his career.

Should you have any questions or concerns please do not hesitate to contact me at 480-734-1891.

Kind Regards,

Santiago Perez
