

To Whom It May Concern:

My name is Cory Rauch and I am writing this letter on behalf of Adam Solak.

I have known Adam for 7 years now. During this time, I have had the pleasure to know him both on and off the field of competition.

On the field, Adam is a fierce competitor, and an extremely hard worker. He does the hard things and does not shy away from putting in extra work. He is an intuitive athlete that has the ability to make quick decisions during the course of competition. Adam is a great teammate, and is very receptive to coaching. Adam wants to be great. These traits have allowed Adam to be a multisport athlete that is able to play multiple positions at a high level.

Off the field, Adam is kind, thoughtful, and smart. He has a great sense of humor. However, possibly his best trait is his resiliency. He has a resilient personality. Adam handles adversity with grit, and overcomes obstacles with determination. This trait alone will allow Adam to excel where others may fall short.

I have no doubt that Adam will continue to be a valuable athlete to any Organization, Coach, School, or Team.

Adam has my highest recommendation.
