Reference Letter for Colter Hansen

I've had the opportunity of being Colter's coach over the last 3 years. He is a player that is first to show up and last one to leave. He plays with passion, and strives for excellence every time he steps on the field. Colter is a great teammate and overall a great human being to be around. I'm excited to see what he can accomplish in the next couple of years. In the classroom, Colter is an avid listener and is active in discussions. He currently carries a 3.5 GPA and makes homework a top priority.
