

March 9, 2023

I am writing this reference letter on behalf of Colter Hansen. Colter is in my Biology class this year. He is a great student and always strives to do his best, Colter is a very hard worker. He always checks to see what he might be missing in class and is always willing to help others. Colter has set some outstanding goals for himself and will reach them if he continues to do the things he is doing .

Mr. Crittenden
