To Whom it May Concern,

It is a pleasure for me to write a recommendation for Brady Oliver. I interact with hundreds of students daily, and Brady stands out among them because of his dedication, his diligence, and his attitude.

I have had the opportunity to know Brady, as he has been a part of the Centennial baseball program for the past four years as well as know his family for over twenty years. Brady has played on the varsity team since he was a sophomore, and he is a key part of our team. Every time that Brady steps onto the baseball field, he strives to make himself and his team better. Because of this, I expect that he will be one of the team captains this year. He has an outstanding work ethic that is contagious, and he sets a positive example for the rest of the team.

Not only does Brady excel on the baseball field, but also his performance in the classroom is exemplary as well. He has accomplished this by challenging himself with Honors classes. Brady also finds time to volunteer outside of school because he understands the importance of helping his community. Brady is of the utmost class, he makes a difference every day in and out of our program.

Brady is very deserving of your scholarship/ job opportunity, and I give him my highest recommendation. Thank you!

Sincerely,

Charles Cerrone
Head Baseball Coach
