

To whom it may concern,

My name is Justen Grenier, and I am extremely proud and honored to offer my recommendation for Cole Baren who I have had the pleasure of coaching the last three years.

Cole Baren is far and away the best young man I know, he is spectacular in everything he does on and off the field. Cole is the most respectful, resilient, organized, self-motivated young man I have ever been around, always on time and a phenomenal communicator. Cole is a true leader; he is passionate about everything he does with a work ethic and presence that builds a culture of doing things the right way. On the field, Cole is a true nine position guy, he is solid in any position on the diamond and has a tremendous feel for the game and high baseball IQ. He has an advanced approach at the plate that allows for an extremely high line drive percentage and an ability to hit the ball where the defense is not, especially in clutch situations. I've been fortunate to coach thousands of athletes to this point in my life and genuinely there is not one person or player I would choose over Cole Baren to start the right culture; he is that special.

Please do not hesitate to contact me if I may assist any further.

Best, 

Justen Grenier
