Re: Joaquin Pfeiffer

I would like to take this opportunity to recommend **Joaquin Pfeiffer** to your institution. I have known Joaquin for 13 years and have had the opportunity to coach him and have seen him develop into a fine young man.

His desire, dedication and passion for sports are shown by his enthusiasm and good work ethics which are good characteristics to have to advance to the next level. One of Joaquin's best assets is that he leads by example and supports his teammates. He shows leadership qualities on and off the field, which will help him excel at the college level. An example of his leadership is his involvement in Las Cruces HS Student Government along with numerous community service projects. As his High School Baseball Coach, I can attest that Joaquin is committed to sportsmanship and good character.

I feel Joaquin Pfeiffer will be a positive asset to your institution not only because of his work ethic and dedication to excellence but also because of his leadership and participation in positive activities. Thank you for your time and consideration. If you have any questions, feel free to contact me at 575-649-9164.

Sincerely,  
*G. Padilla*
