

To Whom It May Concern,

It is my pleasure to write this letter of recommendation for Ryder Wilson, who is a Senior at Evanston High School. I have had the opportunity to work and coach Ryder in the Evanston Wrestling program for the last 3 years. Ryder comes from a family who is very supportive of him and the activities he is involved in.

Ryder is an outstanding student, he works hard to maintain his grades. He has a passion for life, he enjoys being involved in things that make him push himself to be better. He is very competitive, works extremely hard and is always willing to learn more. It has been my experience that Ryder tries to have knowledge and to truly understand the sport that he is involved in.

Ryder has high expectations for himself and always aims for the highest no matter what the task. He is a person of his word and is very dependable. Ryder believes that if something is worth doing it is worth doing to the best of his ability. He is willing to try new things.

Ryder is an outstanding individual. It has been an honor to coach him for the last 3 years in wrestling. I would strongly recommend him for any honor he is seeking, as he tries to further his athletic career. He would be an asset to any team.

Sincerely,

Larry Wagstaff
Retired EHS Drafting Instructor and Head Wrestling Coach
