To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Ethan Allen. I have known him for one year and am currently his English teacher.

Ethan has done well in high school. He has taken. He has managed making good grades as well as participating in extra-curricular activities. He has played baseball all four years of high school. While doing all of these things, he has also been very active in his church. He also volunteers umpiring for little league.

Ethan is always willing to work with others and is a positive influence. He studies and always does his work, no matter what. Other students look to him as a role model. Ethan is always one to finish what he starts. He always works hard, is very dependable, and has integrity.

Sincerely,

Terri Audilet
