

To Whom it May Concern,

My name is Dr. Kia Russell and I teach Forensic Science at Atascocita High School. I am writing this letter of recommendation for Mr. Angelo Volante, a student whom I have the pleasure to teach for his Senior year. Mr. Volante has excellent attendance, grades and class participation. He is an absolute pleasure to have in class and he takes his classwork very seriously. Mr. Volante is kind, respectful and embraces challenges with optimism and dedication. I fully expect for him to naturally rise to any occasion as he is a conscience and passionate thinker. I am quite impressed with Mr. Volante's hard work and dedication and I give him my strongest recommendation to your program. I assure you that it will exceed beyond your expectations.

Sincerely,

Dr. Russell
