To Whom it May Concern:

It is with my great pleasure and enthusiasm to recommend Mitchell Hamrock to be a member of your baseball program.

Mitchell has been a part of our Campo Verde baseball program all 4 years of his high school career and he has displayed all the characteristics of The Campo Way and is a poster child for the meaning of CV Family. We take great pride at Campo Verde in being great humans, exceptional workers, and great community members. Not only has Mitchell lived up to all these qualities in all aspects of his life and game, he is a role model on our campus participating in our Unified PE class and actively looking for opportunities to volunteer and assist on campus anyway he can.

On the ballfield, Mitchell is nothing short of a gritty grinder. He is always looking to improve and enhance his game in all facets and has been one of our most coachable athletes. Mitchell is a team and program guy who is willing to fill into any role that will help his team and program win games and find success. Mitchell is the kind of dude coach's dream of having in their program and will always work to get the job completed, properly.

I am honored to recommend Mitch to be a member of your program. He would be a great asset to your club.
