To Whom It May Concern

It is my distinct pleasure to recommend Kellen Anunson for consideration for admittance to your university. Kellen has spoken to me at length regarding his goal to attend a 4-year University and earn a degree in business while playing baseball at the Collegiate level. I have the utmost confidence that he will be successful in this endeavor.

Kellen has achieved unparalleled academic success in his time at Clark High School. He is currently ranked 37th in his class and has taken the most challenging course of study at Clark. In addition, he now has a weighted GPA of 4.858 in Clark's AMSAT Program, the most rigorous path of study in Nevada. He holds the title of AP Scholar with Distinction due to earning 2 5's and several four's on various AP tests. He earned a 34 composite on his ACT, scoring a perfect 36 on the Math and English portions.

Outside of the classroom, Kellen demonstrates the qualities of an empathetic leader and fierce competitor on the baseball field. He is the team Captain of Clark's Varsity Baseball team where he is a critical component of the resilient and professional culture embodied by Clark. Kellen was hit by a pitch 17 times in his sophomore season. Never complaining, Kellen was happy to take his base, steal second, and support his team however he could with the situation he was given. His talent and leadership have been recognized by the state with 3 all-conference awards, and an All Star Game Selection in 2024.

Kellen is focused, and dedicated, but also kind. He is the first one to help his peers when they are struggling. Kellen lives by the motto "Success is a choice". He embodies this daily, taking the steps necessary to achieve his goals. Kellen demonstrates humility in a way that I have seen from few students. Although bright, he spends much of his time supporting his fellow baseball players in their academic studies as opposed to those in his rigorous classes. Never bragging about his academic and athletic prowess, he prefers using his talents to help those around him, on and off the field. I sincerely believe that Kellen will be a great addition to whatever program he decides to enroll in. I recommend him without hesitation. Please feel free to email me with any questions.

Respect the C
