Dear Coaches,

I am happy to write this letter of recommendation for Gabe Lanier. Gabe was a student in my Algebra 2 class in his junior year. This class met daily for the entire school year, so I got to know Gabe quite well. Gabe is an outgoing and intelligent young man. He enters each day with enthusiasm and positivity. Gabe possesses an athlete's mentality that includes tremendous work ethic, the strong desire to improve, and a healthy dose of competitiveness. Moreover, Gabe's words and actions are embedded in integrity. He does his own work and holds himself accountable. In the classroom, he is a powerful leader by example. These skills led to Gabe being selected for the Student Athlete Leadership Council at Helix High School. In this role, he engages in discussions regarding topics of concern in Helix's athletic programs. The council works out solutions with the intention that all programs are benefited. Finally, I must add that Gabe has a delightful sense of humor and maintains a humble attitude about his successes. Gabriel Lanier has outstanding character and I am confident that you will enjoy working with him.

Sincerely,

Julie M. Weber
