

To whom it may concern,

My name is Justen Grenier, and I am extremely proud and honored to offer my recommendation for Kellen Anunson who I have had the pleasure of coaching the last four years.

Kellen is an outstanding young man, on and off the baseball field. Kellen is an extremely gifted student and as smart a young man as I have ever met, as can be seen in his GPA and test scores which are incredibly strong. On the field, Kellen is a quality left handed bat who gets on base and can set the table or hit in the middle of the order with growing power to all fields. Kellen possess' strong bat to ball skills and gets on base at a high rate via the HBP and walks he draws with an advances eye for the strike zone. Kellen has speed on the bases and in the outfield as he can cover ground and has experience in all three outfield spots. Kellen is a quality strike throwing lefty with multiple pitches he can throw in any count for strikes and keep hitters off balance as he adds strength and velocity. He is an excellent teammate and can help a ball club in every facet of the game. Kellen works extremely hard on and off the field to be the best and reach his goals and I have no doubt he will exceed expectations in all areas. Truly a special person and athlete Kellen personifies every quality you look forward in a student athlete on the field, in the classroom and in the community.

Please do not hesitate to contact me if I may assist any further.

Best,
