To Whom It May Concern:

I am writing to highly recommend Curtis Martin for any opportunity or program for which he may be applying. I am a United States History teacher at Milton High School. I had the pleasure of teaching Curtis his junior year of high school. Curtis is an exceptional student who is a hard worker, dedicated, honest, trustworthy, reliable, intelligent, respectful, and passionate about academics.

Curtis has a positive outlook in life. Even in challenging situations, he always finds a silver lining, and he genuinely believes that maintaining a positive mindset not only improves his own experiences but also has a ripple effect on those around him.

Through his character and perseverance, without a doubt, I believe that Curtis Martin is an excellent candidate for any opportunity. If you have any questions regarding Curtis, please contact me at kinsera@fultonschools.org.

Sincerely,

Ms. Alexis Kinser
