To whom it may concern:

I am writing this letter on behalf of Curtis Justus Martin III. I have been the Athletic Director at Milton High School (Georgia) for 11 years. I have known Justus for 3 years and he is a fine young man with high character and integrity.

He currently maintains a 3.7 GPA in a school with high academic rigor. Justus is a former two sport athlete (baseball and football), deciding to forego football to focus primarily on baseball. Milton High School is a 7A school with a highly competitive baseball program. Justus is playing on one of the top 17U teams in the nation. He has been a scholar athlete for the past three years and is engaged in community and civic service.

Justus will not only make your team better, but he will also make your locker room better! He comes from a family that is highly respected in the Milton community and will add value to your program.

Please feel free to contact me if you need any additional information.

Respectfully submitted,

*Gary Sylvestri*
