Aidan Sutor is one of the finest young men that our school community has to offer. If you are looking for a leader, Aidan is your man. A great teammate? Aidan is your man! From strength of character off the field to the skills it takes to perform at a high level on the field, Aidan is the kind of young man that every coach dreams of. He will help you win games, but, more importantly, he will help you create culture for your program and a community for the team.
