To Whom It May Concern:

It is my privilege to recommend Aidan Suitor for your school. I have had the distinct pleasure of being his Youth Pastor for the past 6 years and I have trained and served alongside him in countless situations. Aidan is a man of integrity, he is intellectually gifted, he is one of the most genuinely caring young men you will ever meet and his work ethic is virtually unparalleled by any teenager I have ever met. In my experience as his youth pastor, he has demonstrated that he can handle almost any situation responsibly.

I have worked with teenagers for over 25 years and I rarely meet other students that exemplify faith and persistence like Aidan does. A lot of students are outstanding athletes, but their character off the field negates any honor that they should receive from their sport. I personally would rather have a student that is honest, hard working, above reproach, and loves others like Jesus, than a student that scores points but is simply not doing it for God's glory. I believe with all my heart that in Aidan, you will find not only a great student and athlete, but also someone who has proven himself to be an honorable and godly young man.

If your school is looking for someone with character, class and the desire to honor God with his abilities, Aidan is an excellent choice.

If you have any further questions regarding Aidan's ability or this recommendation, Please do not hesitate to contact me.

Sincerely,

Paul Behneman
