

To Whom It May Concern,

I am writing this to discuss Alec Schaeffer's character inside the classroom and around the school campus. Alec is dedicated to his academics and putting forth his best effort in the classroom. He is a natural leader and those around him look up to him for guidance and direction. Alec works hard and strives to be the best at everything he encounters.

Please feel free to contact me with any questions and concerns.

Best Regards,

Alec Suarez  
World History Teacher
