

August 28, 2024

I am writing to offer my academic recommendation for Colton Wight, who has been my student for two years in both Algebra I and Algebra II at Knoxville High School. Throughout this time, I have consistently observed Colton's strong academic abilities and his commitment to excellence in all he does.

Colton is an exceptional student with a natural aptitude for mathematics. In addition to his academic talents, Colton consistently demonstrates integrity and a strong work ethic and approaches every challenge with focus, determination, and a positive attitude.

Colton is also a punctual, respectful and collaborative individual who thrives in group settings contributing to a productive learning environment. His maturity and willingness to help others reflect his leadership potential, making him an asset to any team or community. Colton's dedication, intelligence, and character will undoubtedly lead him to success in his future endeavors.

Please feel free to contact me if you need any further information.

Sincerely,  
Joni Ryan  
Math Teacher  
Knoxville High School
