It is with great pleasure and no reservation that I write this letter in support of Brandon Bezak. I have known Brandon for about 2 years as he was a student of mine at Blaine High School. He is a wonderful academic student and continues to excel academically and extracurricularly.

Mr. Bezak is a well-respected member of the Blaine community and a leader amongst his peers. In fact, I often judge situations based solely on how he responds to them as he is a model of calm consistency.

He has been an amazing student at one of Minnesota's largest high schools. I am certain that he will represent your organization with class, humility and dignity. Please let me know if you have any other questions or concerns.
