Dear Colleagues,

I am writing to recommend Eli Bebleh as I have had the pleasure of supporting him since his freshman year of high school. As his School Counselor, I have witnessed the strength that he puts forth in his academic abilities, and can especially attest to his leadership and self advocacy qualities.

Beyond academics, Eli displays dedication as a member of the school baseball program at Verrado High School. School athletes typically have a maturity and sense of responsibility as they balance their time and efforts in both areas. In addition, I can also attest to his ambitious character. He is kind, respectful, and always willing to help others.

With this in mind, I have no doubt that Eli will thrive and make significant contributions to your academic community. He is the type of student who will take full advantage of the opportunities offered and emerge as a leader. I wholeheartedly recommend him.

If you have any further questions or need additional information, please feel free to contact me at [vschepker@aguafria.org](mailto:vschepker@aguafria.org) or (623)932-7400 ext 4047.

Thank you for your time and consideration.

Sincerely,

Veronica Schepker  
School Counselor  
Verrado High School
