I had the privilege of being Aiden's history teacher during both his sophomore and junior years. He is a respectful, highly motivated student who consistently demonstrates a strong work ethic in the classroom and in his extracurricular pursuits. Over the past two years, I have seen Aiden grow in maturity, leadership, and determination. He approaches challenges with focus and perseverance, qualities that will serve him well both academically and athletically. I am proud of all he has accomplished and look forward to seeing his continued success at the next level.

Respectfully,
