

Jaxson Garvey is a respectful and kind individual who consistently treats everyone he encounters with kindness. He demonstrates responsibility by always turning in work on time and taking pride in the quality of his assignments. His dedication and hard work are evident in all that he undertakes, making him stand out as a student. I have no doubt that this type of work ethic translates into the baseball field as well.”

“Jax has the great blend of steely firm concentration with an amazing positive attitude that wears off on coaches and players alike. Talent wise he is a fast twitch with great body awareness. He’s got a great frame and moves well, with concentrated effort. I consider myself fortunate to work and learn with him. I can’t say enough good things about Jax and his respect he shows to myself and others he interacts with. I have always found him with a quest to learn more, each time I’ve worked with him.”

“To whom it may concern, I am honored to write this reference for Jason Garvey. He is a fine young man that I have gotten to coach the past two years in junior high and in high school baseball. Jaxson is truly respected by all his teammates as he is one of the best representations of our program on and off the field. He has good confidence, determination and is willing to be coachable so he can grow with what he needs to do. There is so much potential for him and I personally look forward to seeing his talent get even better here in the near future. Please feel free to reach out if you need any more information regarding Jaxson Garvey.
