

To whom it may concern:

I am honored to share my experience of teaching and sharing a classroom with Jose Romo as his teacher. Jose consistently demonstrated exceptional character, showing kindness and respect to everyone he met. He offered a helping hand when needed and steered clear of trouble. His determination is evident in how he tackled challenges on and off the field. He faced his challenges head-on, never giving up even when tasks became difficult. I admire his positive attitude and resilience, which inspire those around him to strive for their best. Jose truly embodies the qualities of a motivated and compassionate learner while demonstrating the humility and wisdom of an authentic and transparent individual with unwavering values and principles.
