

To whom it may concern:

As a coach at Santa Teresa High School, I've had the privilege of working with Jose Romo, a mature and driven athlete who leads by example on and off the field. Jose's dedication to the game of baseball is evident in his consistent effort, focus, and strong practice habits. He puts in the hard work each day, both in practice and in games, continually pushing himself to get better every day. Jose has been a key factor in the success of our program, and his impact is felt throughout the team. He would be a benefit to any program fortunate enough to have him.

Sincerely,

**Alec New**

Head Coach

Santa Teresa High School
