To Whom It May Concern,

I am writing this letter to enthusiastically recommend Easton Morgan as he prepares to take the next step in his journey as a student athlete. As an Administrator with Educational Options Foundation, I have had the pleasure of working with Easton since he first enrolled with EdOptions High School Learning Center in November 2023. Since then, he has continued to grow academically and has emerged as an outstanding student and young man.

In his time at EdOptions, Easton has demonstrated a strong work ethic and dedication to his studies, resulting in a commendable academic record that complements his standout performance as a baseball player. He has shown persistence when encountering challenging material and humility through his willingness to ask for help when he needs it. I have no doubt that these characteristics will serve him well as he turns his focus to the next level of competition.

There is no doubt in my mind that Easton will make an outstanding addition to any team he joins in the future. His diligence and determination make him well-equipped to succeed in school, on the diamond, and beyond, so I am excited to see where this next chapter takes him. Thank you for your consideration, and please feel free to contact me should you wish to discuss further any aspect of this recommendation.

Respectfully,

Charles Tack
